Approved For Release 2001/07/12 : CIA ROP78-03992A000100020100-6

MENORATION FOR: Assistant Secretary of Defense (Supply and Logistics)

ATTENTION:

Mr. John H. Evens, Chief, Industrial Flaming Management, Office of Production Policy

BUBJECT:

Request for Plant and Pacility Assistance under Provisions of Office of Defense Nobilization Order VII-5

- 1. Prior discussions, held jointly with representatives of your Staff, concerning plant facilities for Agency post-emergency use, have progressed to the point of selecting facilities for preliminary review and evaluation.
- 2. It is therefore requested, you review the enclosed listing, which sets forth the space and facility requirements desired, and edvise this Office concerning suitable plants for post-energency use.
- 3. Upon receipt of your recommendations, further evaluation and selection of potentials will be undertaken by this Office prior to scheduling of specific surveys.

JAMES A. GARRISCH Director of Logistics

Enclosure: Listing of Requirements (Unclassified when detached)
